Dear Member

Annual General Meeting: Friday 29th January 2010

The agenda for the Annual General Meeting is enclosed, along with proposed rule amendments that your committee wish to table. These changes are to simplify our membership categories and to clarify certain situations. It was also noted when our rules were examined that only a male could be elected as our club captain which needs to be changed so that no one is excluded.

Because of the year end change the proposed membership subscriptions for 2010-11 will be tabled for you to approve at the A.G.M. along with budgets for next year.

The last 12 months have been very busy for your committee having lost both our managing secretary and course manager in that period. I will be submitting a report for you at the A.G.M. giving you full details of the changes that have been made, and our acting Treasurer on the financial implications of these changes

A notice has been displayed requesting nominations for membership of the committee. Our club needs committed members prepared to give up some of their spare time to keep the club moving forward and to maintain the excellent standards of the course and clubhouse or help with the organisation of our competitions. If you would like more information about what is involved please ask any member of the current committee or I can be contacted at the club or by telephone.

I look forward to meeting with you at the A.G.M. on the 29th of January. On behalf of your committee I wish you all the compliments of the season and "happy golfing" in 2010.

Yours sincerely

Paul Fricker
Club Chairman
