

Downes Crediton Golf Club

Online Members Area

The online members area is a feature of the golf club's database software and has been enabled for access via the website.

The key features of the system at present are the publication of all competition results automatically, via the secretary's office, and the handicap list. Other features may become available at a later date, pending further consideration and planning.

Logging into the online members area

It is simple to log in to the members area. Each member has an automatically assigned login which is:

Username = membership number

Password = post code

For example:

The screenshot shows a web browser window titled "GCGold.Web Services - Mozilla Firefox". The address bar shows the URL "http://217.34.70.194/Default.aspx?cid=44055009&mid=". The page content includes a "Login" section with a "Login..." link and a "Member (none), Access Public" status. The login form has two input fields: "User ID" with the value "01234" and the note "(your club membership number)", and "Password" with the value "ex171aa". A "Submit..." button is below the fields. To the right, the "Login Options" section explains that club members have a "club-level" access password (usually their postcode) and that a "private" password is needed for confidential information. It lists steps for requesting a private password: login with club password, select "Request Private Password", read terms, and press "Proceed". The footer shows "Last Updated: 25/01/2008 1:00pm" and "Powered by GCGold.Web v.1.07 (©2007 M.H Systems Limited. All rights reserved.)".

Done

You can filter the events list to your own liking. As default, the list contains only the results of competitions you have entered. However, by selecting the "All Results" option above, you can show all competitions and results.

By clicking on the “Results...” option to the right of each event you will be taken to the “General Details” for that competition (competition format etc). Click on the competition name next to “General Details” to view the competition results, as below:

The screenshot shows a web browser window titled "GC Gold Web Services - Mozilla Firefox". The address bar contains the URL "http://217.34.70.194/Default.aspx?cid=44055009&mid=". The page content includes a navigation menu with "Login", "Events", "Handicaps", and "My Account". Below this, it says ">> Entering events and viewing results..." and identifies the user as "Member Mr Sam FREEMAN, Access Club".

The main content area shows an "Event List" for "(20 Jan '08) ALL - 3 Player Team Event". Underneath, there are tabs for "General Details", "Three Player Team Stableford", and "Three Player Team Stab-2's". The "Three Player Team Stableford" tab is active, displaying a table of results.

Place	Players	HCap	Stb Score	Count-back
1	BURTON H, GREENWOOD I, SMITH J	5	87	
2	SLEE D M, COCKAYNE A, PAYNE-COOK Q	6	85

This is the complete break-down of the competition results, as you would see on the computer screen in the clubhouse. You can also check the 2's by selecting the appropriate option at the top also.

Handicap

You can also check your handicap, and those of the other members of the golf club using the online members area. At the top of the page, select "Handicaps" and then "Handicap List". This will give you the following screen:

- Show groups...: Men, Ladies, Juniors
- Show categories...: 1, 2, 3, 4, 5, 6

Below the filter menu, it says "Select the desired options above, then click [Reload list..](#)".
